1. Acceptance of terms

By accessing this website, you agree to these Terms & Conditions. If you do not agree, please do not use this site.

2. This website vs. our products

These terms cover **quantintelligence.co only**, an informational site with no account or login functionality. Quant Intelligence owns two independent products, Alden and QuantMind, each operated independently with its own sign-in and its own Terms & Conditions presented at the point of use, see Alden's Terms and QuantMind's Terms.

3. Use of this site

You agree to use this website only for lawful purposes and not to attempt to disrupt, reverse engineer, or gain unauthorized access to it or any systems connected to it.

4. Intellectual property

All content on this site, including text, graphics, and branding, is the property of Quant Intelligence unless otherwise noted, and may not be reproduced without permission.

5. Third-party links

This site may link to Alden, QuantMind, or other third-party destinations. We are not responsible for the content or practices of external sites.

6. Disclaimer

This website and its content are provided "as is," without warranties of any kind, express or implied.

7. Limitation of liability

To the fullest extent permitted by law, Quant Intelligence is not liable for any indirect, incidental, or consequential damages arising from your use of this website.

8. Changes to these terms

These terms will change as the product and the law develop. They will not change silently, and they will not change retroactively.

Material changes. A change is material if it affects your rights, what you pay, or what we do with your information. We will tell you by email, to the address on your account, **at least 30 days before** it takes effect, and the notice will say what has changed rather than simply pointing at a new document. Where a change is material we will ask you to accept the new terms, and you are not bound by them until you do.

Your right to refuse. You can reject any change by cancelling before it takes effect, at no penalty. Your subscription then runs to the end of the period you have already paid for, under the terms you originally agreed to.

Minor changes — correcting an error, clarifying wording, or adding something that does not affect your rights — take effect when published, and the “Last updated” date changes.

We keep every published version of these terms. If you want to see the version you agreed to, ask us and we will send it.

Nothing here reduces rights you have by law, and no change can take those away.

9. Contact

Questions about these terms can be sent to contact@quantintelligence.co
